Your Honour

1. Neither did I get my demand satisfied for £150 million in damages and compensation from the Treasury of the United Kingdom for what I have suffered and endured through State-organised brutality in multifarious ways over 26 years that I have brought to your attention, the persecution is now is for the persecutors to maintain total silence towards me in the hope that my demand will go away, as I have nowhere else to take my Case: I apologise for wishing you to resume the adjourned Hearing of 20 January 2023 10.00 am taking into account the linked materials:

MRS THERESA MAY - PRIME MINISTER OF THE UNITED KINGDOM	1 st Defendant Ref Z1819776/MMX/ HO19

The hearing of the claimant's application dated 23.06.2022

will take place at 10:00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1pm and if your case is listed in the afternoon it is heard by 4pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 5577.

FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES: Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

The court office at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL. When corresponding with the court, please address forms or letters to the Court Manager and quote the claim number. Tel: 0300 123 5577. Check if you can issue your claim online. It will save you time and money. Go to www.moneyclaim.gov.uk to find out more.

clearly marked as being heard by a Circuit Judge. Any bundles delivered by hand can be dropped off at the public counter by obtaining an appointment by ringing the appointment line on 0207 947 7502 indicating that the delivery is for a trial bundle.

Skeleton arguments for this case should be sent by email to CentralLondonCJSKEL@justice.gov.uk. Parties may not send PDF files to this Inbox. Any emails to which PDF files are attached will be deleted without having been opened or read. Furthermore, do not send skeletons by FAX or by any other means unless email is not available in which case explanation must be provided with the document.

In compliance with GDPR requirements, the privacy notice sets out the standards that you can expect from the Ministry of Justice (MoJ) and HM Court and Tribunals Service (HMCTS) when we process personal data about you in the context of civil court proceedings; how you can get access to a copy of your personal data; and what you can do if you think the standards are not being met. Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever possible and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. Judges are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as a reasonable adjustment by phone, in person or in writing by:

- emailing RCJ.DCO@justice.gov.uk, or centrallondoncounty.dco@justice.gov.uk
- phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Please note.

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around our building and support before the hearing.

- If you need a **parking space** (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.
- email: RCJ.DCO@justice.gov.uk or centrallondoncounty.dco@justice.gov.uk
- tel: 0207 947 6063

Please include:

- your case number
- car registration, make, model and colour
- your Blue Badge number and issuing authority.
- **Wheelchair access** into the RCJ is available at:
 - West Green (9am - 4.30pm), and
 - Bell Yard North (9.30am - 4.30pm).

These entrances and the main entrance have **intercoms** linked to RCJ Security.

- **Step-free access** (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best routes for step-free access is available at each entrance and/or upon request.
- **Accessible toilets** are located throughout the RCJ. Maps are available but please let us know if you need details in advance.
- If you have **limited mobility**, we have a limited number of manual wheelchairs available for use. You may bring a carer or helper to support you using the wheelchair.
- **Support Through Court** are a charity supporting people who face court alone so that they can represent themselves to the best of their abilities. You can find out more information on www.supportthroughcourt.org or phoning 020 7947 7701.
- **Assistance dogs** are welcome in all HMCTS buildings.

The hearing.

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins

- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.
- hearing enhancement systems in some of our courts (and available at reception and at our public counters). We also have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

Dear Dr Panigrahi

Your complaint

Thanks for getting in touch with the Financial Ombudsman Service. We've set up a case for you – the reference number is PNX-5222561-R3M4. Please use this number whenever you contact us.

Before we can get involved, the business you're unhappy with needs a chance to give you an answer on your complaint.

We can only look into complaints where you've received a final response letter from the business you're complaining about, or where the business hasn't responded within our time limits. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

What you'll need to do

You should complain directly to the business, explaining what the problem is, and how you'd like them to put things right.

If you've already complained to the business, in most cases they have up to eight weeks, to look into your complaint and issue their final response, depending on what you're complaining about. You should keep a record of when you complain to them, and any other correspondence or conversations.

Please note - The final response will set out the business' view of the matter and advise that, if you remain unhappy with their response, you may refer your complaint to this service within 6 months.

In the meantime, you can find out more about how to complain on our website.

When you've heard back from the business – or eight weeks have passed from the date you first complained – if you remain unhappy, get back in touch using our online form or call us on 0800 023 4567 and we'll let you know how we can help.

We won't take the complaint any further at this stage.

Kind regards

Dear Sir

I specialise in dealing with national and international criminals: I started this project in 1998 when in the University of Greenwich that still owes me £55,000 in severance pay with its co-conspirators going by the pseudonym of Victims of Panigrahi Association (VOPA) and since then terrorised ever since, so found a way to cope with it : https://archive.org/details/dealing-with-international-criminals-digital_202405 I do not care where they come from, and right now the criminal that I am focussing on bringing to justice in the Court of Public Opinion is the Circuit Judge in the Central London County Court who deprived me of £150 million in damages and compensation against the co-conspirators with the University of Greenwich. Hiding above the Circuit Judge in the Central County Court have been two Monarchs, Queen Elizabeth who I described two decades ago as a wicked and evil green witch, who ordered my persecution in the United Kingdom and the mantle was then handed over to her successor King Charles III in accordance with divine right of Kings and Queens to rule over the population as Absolute Monarch: https://archive.org/details/dictatorial-monarch-in-the-united-kingdom-digital_202405 . I put in place legal procedures to have Queen Elizabeth dethroned in civil and criminal actions including issuing proceedings in The International Criminal Court from where judgment is awaited now against King Charles III: <https://www.theallurementofrealityinreview.com/post/information-received-review-letter-otp-cr-76-22-1>

Stripe is just a pawn in their terrorism of myself: doing what is necessary to earn incomes from the Banking Sector associated business.

 Thank you for your response.

Stripe should by now know that I am an extremely law-abiding citizen practicing truth-accommodation and so progress my work accordingly by assessing the evidence that slowly and steadily builds up, acting always within the limits of the present unwritten Constitution of the United Kingdom.

Where we are right now I have to make a choice from the paths as set out in the attached alternatives for my political campaigning: MEMBERSHIP PROCEDURE
 [REDACTED].docx.

Whichever of these options is permitted by the State authorities I shall respectfully undertake.

Could Stripe find out the answer for me from (a, b, c, d) to advise me as the Director of The Conservative Libertarian Publications Limited, today before Stripe goes ahead and closes down our Account ID: acct_1PQxHSlopJw2Dc06 ?

Dear Sirs

I have now ascertained that the proposal submission to amend the unwritten Constitution through the House of Commons Petition Committee is unlawful and unworkable such that even if we get the required signatures the Committee cannot consider it; so I will not be going down that route anymore.

Instead I have formed a political Party, TCLP-UK which will campaign for members in a bid to contest elections in the United Kingdom both at the national level and at the local level to bring about specific laws in government through a Kings Speech on Reforms to prevent in the future the dastardly crimes committed against me by nameless and faceless criminals from the secrecy of their institutional establishments as shown in the attached correspondence shows:

- (a) ToStripe(a Whacking on the StateAuthorities)2Aug2024.docx
- (b) ToBarclaysBank(FraudWixNuisanceTelephoneCalls)2Aug2024.docx

This could take years because I have had consultations with the other Parties in Power and found no appetite for the reforms that we in TCLP-UK see as vital if corruption is to be halted in the United Kingdom in its tracks.

Thank you for the update.

I am however not clear on what precisely Stripe is considering on the technicalities of supporting my business given that all the information has been with you for over a month of correspondence. I am being kept guessing on whether the State authorities have instructed Stripe to keep me hanging on while it perpetrates some concoction of offences against me that it is attempting to fish for in the same way that I was arrested 6 times by Kent Police on false allegations of having sent out malicious communications to educational establishments, BLM law, British Petroleum, and possibly others and of stalking Katrina Sale of the Conservative and Unionist Party in order to try and make my and my family's life intolerable in the United Kingdom.

If Stripe is also part of the same terrorism on me and is engaged in sabotaging the Company The Conservative Libertarian Publications Limited, there should be a law to punish these offenders. That is what my Political Party TCLP-UK aims to do.

Rest assured I will never give up and never ever leave the United Kingdom, and will continue to publish all the suffering that I have had to endure over the past 26 years.

My demand for an apology from whoever has organised this persecution on me is now £200 million that the Circuit Judge adjudicating on Claim E35YM660 should care to note, as linked here: <https://www.knowledgeassessmentanddissemination.com/post/e35ym660-case-progression>.

Dear Sirs

I attach details of issues that cropped up last Saturday with a Transaction ATTEMPTED TRANSCATIONS WITH WIX.com FOR Barclaycard and BarclaysBank on 20July2024.pdf, that seemed associated with phone calls that I reported to Kent Police as attached: ToKentPoliceEnquiriesccKMPTCenLonCtyCrtForzKhanLegalOmbudsman(NUISANCE PHONE CALLS)21July2024.docx.

Please assure me that this was due to a technical issue rather than deliberate attempted sabotage with my relationship with Wix.com

To
 Kent Police

Dear Sirs

We have been getting lots of terroristic telephone calls to our Landline and to my Mobile Phone some of which I have reported to the Court of Central London under Claim E35YM660 that may or may not be under consideration of the Judge.

This Sunday morning was exceptionally terrifying as the phone calls started at 6.51 am from 0800 151 2104, and this was followed by another from the same number at 9.50 am and to our Landline briefly, the former appeared to have left a Voicemail, but so terrified I was in my mental state as a mental patient of Britton House, I deleted the Voicemail notification immediately.

Then at 9.55 am the Mobile Phone rang again from a Suspected Spam Caller dialling from 0333 202 7461.

At 11.10 am the Landline rang: my wife picked it up and then put the phone down

At 11.11 am the Mobile Phone rang again from 0800 1512104.

I did not answer any of these Phone calls, as these could have been traps being laid on me to get me to legal difficulties in the same way as the criminal anonymous emails were sent to me and my relations and associates for a number of years and on which I await the final Report on CO/999/23, from Professional Standards Department of Kent Police.

I am at this stage trying to investigate the nature of these criminal anonymous phone calls as I am reporting them to my Consultant Psychiatrist Dr Emmanuel Oranusi immediately through KMPT.

Then the thought occurred to me, what if the Central London County Court was trying to get a message through to me or even Kent Police.

Please confirm that I was not being contacted through these phone calls by an official institution of the State of the United Kingdom in the first instance so that I then take the necessary action against the perpetrator of the Hate crimes on me and my family.

Yours sincerely

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 8 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start

working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months. Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

Comments:

They know that they can destroy the entries in British Library and in Internet Archive, but Wix will always have the 221 ebooks currently in the <https://www.theallurementofrealityinreview.com/shop> and at the very least I will have the site open for the rest of my life selling books once the legal hurdles are finally obliterated. Besides even if I do not sell any books those people who visit the website can access the books for free downloads at Internet Archive. So this attempt at trying to gain access to the Site to destroy the contents and option of starting proceedings unofficially. For the plan to start official proceedings against me are all but over. It cannot be touched.

The Labour Party is to be encouraged to go down this path.

Thank you for your response.

Stripe should by now know that I am an extremely law-abiding citizen practicing truth-accommodation and so progress my work accordingly by assessing the evidence that slowly

and steadily builds up, acting always within the limits of the present unwritten Constitution of the United Kingdom.

Where we are right now I have to make a choice from the paths as set out in the attached alternatives for my political campaigning: MEMBERSHIP PROCEDURE
[REDACTED].docx.

Whichever of these options is permitted by the State authorities I shall respectfully undertake.

Could Stripe find out the answer for me from (a, b, c, d) to advise me as the Director of The Conservative Libertarian Publications Limited, today before Stripe goes ahead and closes down our Account ID: acct_1PQxHSlopJw2Dc06 ?

Dear Sirs

Following wide consultations over the past few months as summarised in the link <https://www.knowledgeassessmentanddissemination.com/post/re-petition-to-the-house-of-commons> based on evidential justifications as linked here: <https://www.knowledgeassessmentanddissemination.com/post/e35ym660-case-progression> I am seeking Kent Police's final permission/legal clearance to enter into the formal democratic processes of the State as the Leader of the Political Party TCLP-UK in accordance with its Constitution as linked here: <https://www.theconservativelibertariansociety.com/about-1>

It is necessary for me to request Kent Police to examine these details now so that I/we do not fall foul of the law in any way, shape or form inadvertently.

Thank you for your response.

Stripe should by now know that I am an extremely law-abiding citizen practicing truth-accommodation and so progress my work accordingly by assessing the evidence that slowly and steadily builds up, acting always within the limits of the present unwritten Constitution of the United Kingdom.

Where we are right now I have to make a choice from the paths as set out in the attached alternatives for my political campaigning: MEMBERSHIP PROCEDURE

Whichever of these options is permitted by the State authorities I shall respectfully undertake.

Comment:

The escapade is fully enforced, as it takes the matter away from the Financial Ombudsman and all crappy other institutions of the State including Kent Police and the Courts into the House of Commons in the comprehensively updated manner and it is not a constituency matter that requires me to go through my own member of parliament but a political matter relating to defection of two MPs to TCLP-UK. Or Debbie Abrahams will have to answer since I have an auto acknowledgement from her on 'Signature' which refers to TCLP-UK. Obviously, she has clearly signalled that she is willing to defect based on the full Constitution sent to her after checking with Kent Police as it so happened by accident.

Dear Dr Panigrahi

Your complaint

Thanks for getting in touch with the Financial Ombudsman Service. We've set up a case for you – the reference number is PNX-5222561-R3M4. Please use this number whenever you contact us.

Before we can get involved, the business you're unhappy with needs a chance to give you an answer on your complaint.

We can only look into complaints where you've received a final response letter from the business you're complaining about, or where the business hasn't responded within our time limits. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

What you'll need to do

You should complain directly to the business, explaining what the problem is, and how you'd like them to put things right.

If you've already complained to the business, in most cases they have up to eight weeks, to look into your complaint and issue their final response, depending on what you're complaining about. You should keep a record of when you complain to them, and any other correspondence or conversations.

Please note - The final response will set out the business' view of the matter and advise that, if you remain unhappy with their response, you may refer your complaint to this service within 6 months.

In the meantime, you can find out more about how to complain on our website.

When you've heard back from the business – or eight weeks have passed from the date you first complained – if you remain unhappy, get back in touch using our online form or call us on 0800 023 4567 and we'll let you know how we can help.

We won't take the complaint any further at this stage.

Kind regards

I understand the protocol but this is a political issue of seeking defections from disenchanted Labour Members of Parliament to TCLP-UK, so please let me know whether you are disenchanted enough and consider joining the quest to eradicate corruption at all levels of society, and replace it with our vision of generating truth, justice and democracy that is the backbone ethos of our Party.

Dear Sir/Madam

Please refer to our recent correspondence on which the Parliamentary and Health Service Ombudsman has written to me as attached:
FrAnitaEasthamPHSO(AutismSpectrumDisorderClientIDMissing)4Aug2024.docx.

I am puzzled as to which institution or Consultant Psychiatrist wishes me to undergo this test now for the papers delivered to our house was addressed to Miss Rupa Panigrahi that I have assumed was done in error following some investigations on our part.

The long and the short of the matter is that I am not complaining about anyone that the PHSO has mistakenly deduced in its email and would like to take this opportunity to set the record straight.

I undergo psychotherapeutic treatment from Jill Jesson which has been placed on hold for the time being until the Autism tests have been completed and a final diagnosis of my mental ailments has been clarified to us all.

If the Autism tests can go ahead within the time specified in the forms, if you can arrange for the Client ID to be sent to me by email I shall endeavour to complete the forms as quickly as is necessary.

I leave the matter in your capable hands, and look forward to your reply.

Dear Dr Panigrahi

We have advised you previously on how to bring a complaint to us. You have Cc'd us into your emails to the Adult referrals within Kent CHFT and they have responded to you and Cc'd us into this response. We work through emails on an allocation basis in the order they are assigned, and we are at the end of a complaint process. We kindly request that you remove us from your email correspondence regarding your referral enquiries.

We do need to consider the impact this has on the service we provide to other people who are asking for our help. Emailing our organisation about your ongoing required referrals stops us

from being able to help other people. As an organisation we must make sure that individual behaviour does not impact on our ability to carry out our work.

Dear Sirs

It would be next to impossible for me to complete any complaint form given the volume of correspondence; if this complaint is to progress at the Financial Ombudsman Service (FOS), it has to proceed by way of email correspondence only, now that the basic facts are known to the Service Provider, the Complainant and the FOS Complaint Investigating authority.

TCLP-UK is an accredited Political Party partly registered with the Electoral Commission and has begun its active democratic campaigning with negotiations with Debbie Abrahams, Member of Parliament as attached: ToDebbieAbrahams(LabourMPDefectionPoliticalIssue)3Aug2024.docx.

I therefore see no reason that Stripe should not support TCLP-UK with its Banking services at:

Dear Dr Panigrahi

Your complaint

Thanks for getting in touch with the Financial Ombudsman Service. We've set up a case for you – the reference number is PNX-5222561-R3M4. Please use this number whenever you contact us.

Before we can get involved, the business you're unhappy with needs a chance to give you an answer on your complaint.

We can only look into complaints where you've received a final response letter from the business you're complaining about, or where the business hasn't responded within our time limits. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

What you'll need to do

You should complain directly to the business, explaining what the problem is, and how you'd like them to put things right.

If you've already complained to the business, in most cases they have up to eight weeks, to look into your complaint and issue their final response, depending on what you're complaining about. You should keep a record of when you complain to them, and any other correspondence or conversations.

Please note - The final response will set out the business' view of the matter and advise that, if you remain unhappy with their response, you may refer your complaint to this service within 6 months.

In the meantime, you can find out more about how to complain on our website.

When you've heard back from the business – or eight weeks have passed from the date you first complained – if you remain unhappy, get back in touch using our online form or call us on 0800 023 4567 and we'll let you know how we can help.

We won't take the complaint any further at this stage.

Kind regards

Dear Debbie Abrahams

I understand the protocol but this is a political issue of seeking defections from disenchanted Labour Members of Parliament to TCLP-UK, so please let me know whether you are disenchanted enough and consider joining the quest to eradicate corruption at all levels of society, and replace it with our vision of generating truth, justice and democracy that is the backbone ethos of our Party.

Thank you

There is a strict Parliamentary protocol which means MPs can only undertake casework on behalf of their own constituents. As such, please check that you have provided your full postal address including your post code, relevant details about your case and your permission that I may make representations on your behalf if you live in the constituency of Oldham East and Saddleworth.

Your query will be dealt with as soon as possible. Our casework triage system ensures urgent enquiries are prioritised. Although we aim to deal with all enquiries within 20 working days, this year my office has had unprecedented numbers of cases so please bear with us.

My office follows the 2018 General Data Protection Regulations (GDPR), details of which can be found on my website. You will be only contacted by my office in relation to your specific enquiry and we will not contact a third party without your expressed permission.
